Sarah : Hi, Good Morning. What can I help you?

Ririn : Before that, let me introducing myself my name is Ririn. And than she is my causin. Her name is Destin. We are a library science students at this Terbuka University.

Sarah : Oh.. oke. I also want to introduce myself. My name is Sarah

Ririn : Can I ask you something?

Sarah : Yes. Sure

Ririn : Do you where I can study peacefully around Pangkal Pinang?

Sarah : Well, I would reccomend you to visit Dinas Kearsipan dan Perpustakaan Kota Pangkal Pinang. The has conducive room conditions, then it also becomes one of the educational facilities organized by the Pangkal Pinang government. There provide various kinds of reference sources. Besides that, the library also uses an online catalog than can help officers find books. Last year the library was just renovated and now the building is nice, has many rooms. And there are also many reference books. If you need information about your coursework, then i suggest visiting it.

Ririn : Oh really?. But do you think the officers are friendly? And what do you opinion I should prepare when going to visiting it?

Sarah : In my opinion its very good place to study. The officer and librarians there are kind friendly too. The officers are also ready to help users if they have difficulty finding books. Apart from that, in my opinion, there is nothing important that needs to be prepared. You just need to bring your identification so that if the officer wants it, you can give it. Besides that, I also think that the library is very comfortable for studying because there are many library facilities.

Ririn : Oke. Thanks in opinion and for the info. We cant wait to go there.

Jawab :

Mika : Hi, Andi.

Andi : Hi, Mika.

Mika : have you ever visited the Perpustakaan Nasional?

Andi : Oh, sure

Mika : I actually want to go there if I have free time. May I know a little about the description of the Perpustakaan Nasional?

Andi : of course. Perpustakaan Nasional it is big library. Nice place, cool and fun to learn. There also has many new and interesting books. The perpustakaan Nasional building has 24 floors, the library also has comfortable chairs for reading all kinds of books. Besides that they also have many facilities, such as audiovisual services, theater rooms, rare book collection services, and data centers. They also have a lot of staff to help users who have trouble finding the books they need. The service is very good, the library is also clean. If you have free time, you should go there.

Mika : That sounds very interesting. I will go if I have free time. Thanks for the info.

Andi : Ok. Have fun Mika.

- b. Dialog dengan “Asking and Giving Advice and Opinion”

Jawab :

Hanif : Hello Zakir.

Zakir : Hi Hanif.

Hanif : Can I ask you something?

Zakir : Yes. Sure

Hanif : Do you know where I can study peacefully around Jakarta?. And can you show me how can I go to the Perpustakaan Nasional?

Sakir : Well, I would recommend you to visit Perpustakaan Nasional. I think, you better take riding a motorcycle to get there because it will take 2 hours if you go by bus as you will face a nasty traffic jam the way there. So I think going there by motorcycle is the best.

Zakir : Oh okay, I will take motorcycle then. Thank you for your advice, but how about your opinion about its place to study?

Hanif : in my opinion it's very good place to study and you can also find so many books there. And that's a nice place, cool, and fun to study.

Zakir : Really?, Ok. Then thank you in advance and for the info. I can't wait to go there.
